### SCORES ...

(and some other "stuff" which might be of interest to SOME of you.)

- **Number of Shooters and their Scores.** For those of you who are interested only in the number of shooters and their scores:
  - (a) we had 15 shooters; and
  - (b) their scores are set forth below.

**YOU DON'T HAVE TO READ ANY FURTHER IF YOU'RE NOT INTERESTED IN ANYTHING OTHER THAN THE NUMBER OF SHOOTERS AND THEIR SCORES.**

- **Some other "Stuff" which might be of interest to SOME of you.**

Both of the "10 Chickens Cash Prize Contests" dodged the bullet so the "pot" for the combined "Open" / "Hunter" / "Standing, Off-Hand" Classes is now ~**\$23.00** , and the "pot" for the combined "Hunter-Benchrest" / "Iron Sights" Classes is now ~**\$5.00**.

Thanks to all of you who attended ... and special thanks to those of you who showed up early to help us set up the "Course-of-Fire" and/or stayed after we were done shooting to help tear down our stuff and put it away in the shed.

The final "Rimfire Rifle Metallic Silhouette" match for the season is scheduled to be held on **Sunday, October 1, 2023**. I will try to remember to send out a "reminder" about a week before that match. This match will be our "Championship Match", as we have done in the past. The first 40 rounds will be shot as we traditionally do, followed by an additional 20 rounds, 5 each at the 4 different ranges/animals with NO sighters! Each shooter will skip the next animal and start on the second animal in sequence from where they finished shooting the main match. Remember to pay attention to your cold bore shots and sight settings!

Meanwhile, please feel free to contact me, the "Match Dictator" at any time if you have any questions, suggestions, or other comments.
