

M1 Garand match notice.

On June 15th, Clairton Sportsmen's club will be holding a rifle match for the M1 Garand. This historic rifle was instrumental in our winning WW2 and was said by General George Patton to be the "greatest battle implement ever devised".

Our club has some of these rifles and ammunition available to members to use during this match. We welcome those interested to come participate and shoot these historic rifles! The cost will be \$45 dollars and includes 35 rounds of ammunition. All ammunition must be used or returned to the club.

This opportunity will be available to only 6 new shooters for this match. If you are interested you must contact Michael Kennedy at wmkennedy501@gmail.com on or before June 12th. You will need to be at the CMP range by 8AM on the morning of the match for orientation. You must bring ear and eye protection. Wearing a heavy sweatshirt would be helpful. We will supply everything else. You will be paired up with an experienced shooter for coaching during the match.

This is a great opportunity to shoot this awesome, historic, battle rifle. Warning! You may become hooked as I did and keep coming back for more!!!
